

White Label

CUSTOM PACKAGED PRODUCTS

- We manufacture High quality custom packaged products using our packaging options below.
- We welcome our clients to supply their own packaging for us to fill and supply. We do not supply/source custom packaging.
- Minimum order quantities apply on all custom packaged orders. Details available below.
- All custom packaged products are supplied without any labels or branding. We have an experienced Graphic Designer available for design requirements, kindly inquire. We can also print labels in house & apply it to your ranges, additional fees will apply. We can quote on label printing when label dimensions are given.
- Prices on custom products are quoted according to the selected product and packaging. Please send through all details via email for quotes. A quote form will be available to help guide you how to request a quote.
- To customise your product you will choose, a fragrance, colour and if desired you can choose to add an additive to your product.
- Please note – we are here to advise and assist. We do not have the resources available to design your range.
- Samples: We can provide up to 5 samples of our base products, free of charge if you are a first time customer. Full sample products will be charged for.
- If you require a product to be a specific colour, a pantone number will be required. A link to our Pantone Chart will be available below.
- To qualify for wholesale prices on custom products, a minimum spend of R500 required.
- Full payment required to start production.

Kindly note the following:

- We welcome clients to try custom blends, you may add the the fragrances to the quote form and we will work out the ratio as we are experts!

2.2 OPTIONAL - SELECT AN ADDITIVE

The cost of the additives selected for your product will be calculated into your quote.

Kindly choose an additive that is compatible with your base product.

- A water-based additive is compatible with a water-based product.)
- An oil-based additive is compatible with an oil-based product.)

We work on a 1% addition of additives and can go up to 2% max. Pricing will increase with 2% additions.

For Water-based Base Products:

- Activated Charcoal
- Anti-Agenig Botanical Complex
- Aloe Vera
- Baobab Extract
- Carrot Extract
- Coffee Bean Extract
- Cucumber Phytelene
- Gojiberry Extract
- Glycerine (Plant Based)
- Green Tea Matcha Extract
- Honeybush Extract
- Kelp Extract
- Khakibos Extract

- Lemon Verbena Leaves
- Mint Leaves
- Moringa Leaf Powder
- Orange Blossoms
- Rooibos Leaves
- Rose Petals
- Rosemary Leaves
- Sutherlandia
- Thyme
- Turmeric Powder

2.3 SELECT A PANTONE COLOUR FOR YOUR PRODUCT

In order to keep your product colour consistent we recommend choosing a pantone.

Follow the link to our pantone chart and place your order with the selected pantone number: <https://www.pantone-colours.com>

The following base products can be coloured:

- 3 in 1 Foam Bath/Liquid Soap/Shower Gel (**Pearly or Clear**)
- Body Wash (**Pearly or clear**)
- Body Lotion/Cream (**Pastel colours are recommended.**)
- Body Butter (**Pastel colours are recommended.**)
- Gel Body Wraps
- Bath Milk
- Shampoo (**Pearly or Clear**)
- Conditioner (**Pastel colours are recommended.**)
- Foot Cream (**Pastel colours are recommended.**)
- Foot Wash (**Pearly or Clear**)
- Room & Linen Mist (**Pastel colours are recommended.**)
- Gel Face Masks
- Sugar Body Scrub
- All bath Crystals
- Foot Cream
- Foot Scrub

Kindly note the following:

- With any liquid soap/bubble bath/shampoo etc. you can choose to have the base clear, transparent or pearlised, please indicate this on the quote form.
- Be cautious with choosing very bright/dark colours for creams/lotions and butters as it will stain the skin.

If you wish not to have your products coloured, please indicate this on order.
